Baltic Apprenticeships

Baltic Training Services provides a quality, flexible and progressive training solution that delights and stimulates the growth and sustainable development of our Learners, Businesses and Stakeholders. Working with leading employers in the IT sector we endeavour to re-ignite the economy by ensuring we secure talented, driven, energetic young adults for apprenticeship opportunities.

Our programmes and delivery models are tailored to meet individual needs. We are committed to changing and shaping the lives of young people, providing them with the best training, qualifications and learning experience possible in order to ensure they have the skills and knowledge required to be the IT Specialists of the future. Baltic Training Services apprenticeship programmes are relevant, up to date and meet the changing needs of businesses today.

Important Other Information

All applications must be made through Baltic Training Services. Do not contact the employer directly. Candidates may be asked to complete a literacy & numeracy assessment. If you are short-listed for this role, you may have to attend more than one interview.

The Employer welcomes applications from local residents. If you are applying for this position and you do not live locally then please could you confirm the reasons for your application.

From the 1st October 2013, the National Minimum Wage (NMW) for apprentices aged 16-18, and those aged over 19 who are in the first year of their Apprenticeship, is set at £2.68 per hour. The NMW applies to time working and time spent training as this is also part of the Apprenticeship. Anyone not covered by the age categories above will be entitled to the NMW appropriate to their age.
