Prior attainment levels

Version 1 Published March 2015. Changes from 2014 to 2015 are highlighted in yellow.

The information shown in the table below provides a guide to the overall attainment level of learners that have achieved various combinations of qualifications. The levels shown do not necessarily coincide with the level at which individual qualifications are set. For example, GCE AS levels are at level 3, but the level of attainment achieved by a learner who has taken AS level qualifications depends on the number of qualifications achieved, one AS level being needed for the learner to attain level 1, at least two to attain full level 2 and at least 4 to attain full level 3.

For learners who started on or after 1st August 2013, the prior attainment must be recorded using the current Ofqual Regulated framework for levels 4 and above. Learners whose prior attainment was recorded prior to 1st August 2013 can continue to use the National Qualification Framework codes for levels 4 and 5+.
